GUARANTY

By signing below, you, (the "Guarantor"), guaranty that the Buyer will make all payments, pay all other charges on the account when due, and will perform all other obligations promptly. You agree that Seller may make arrangements with the Buyer or other guarantors, with or without notice to you, and you will still be responsible for making payments and meeting your obligations herein. You agree to be fully responsible whether or not Seller initiates or exhausts any remedy or proceeding against the Buyer, or any other guarantors. Seller is not required to notify you if the Buyer is in default. If Buyer is in default, you agree to pay any amounts due on the account immediately upon request. You acknowledge that you have read and agreed to the General Terms and Conditions as written on the reverse side of this Credit Application (or attached as a separate sheet), as if you were the Buyer.
